

ABBALÉ TELAVIVIAN KITCHEN DINING GUIDELINES

We at Abbalé Telavivian Kitchen kindly ask you to understand that these policies are made due to the intimate space of our restaurant and in order to provide everyone with the best culinary experience possible.

RESERVATIONS RELEVANT INFORMATION

- We have a 15 minute grace period after the original reservation time. If you arrive after the grace period, we will do our best to accommodate the party, depending on availability.
- We kindly ask for the complete party to be at the restaurant in order to be seated.
- We have properly listed below the time limit for parties from 2 to 5+. Out of consideration for other guests who are waiting, we may ask for your table if the reservation time has passed. We typically never make this request before you fulfill your time limit or finish your dining experience.

Reservations time limit:

- 2 to 5 guests: 90 minutes
- 5-6 guests: 105 minutes
- 7+ guests: 120 minutes

Notice that the reservation time starts running from the original reservation time and not at the time of arrival or when the party is seated.

ATTIRE STANDARDS

- We allow casual attire for **Lunch Service**, however we don't allow swimsuits, tank tops, shirtless or shoeless.
- We require proper attire for **Dinner Service** with no exceptions. Guest attire can affect the experience of others. We consider hats, tank tops, flip flops, bathing suits and team athletic attire too casual for our restaurant.

DINING GUIDELINES

- We are a cashless establishment. We gladly accept Credit Card payments.
- Due to our intimate space and limited seating, we limit the number of large groups. The majority of our tables can accommodate only up to 6 people. We have specific policies about larger parties in terms of time, space, and minimum consumption. For more information, please email us at info@abbatlv.com
- We welcome families. Due to the high traffic and reduce space, we ask parents to keep children at the table to prevent any accidents. We do not offer child seating, nor do we allow strollers in the dining room due to the limited space we have and in order to don't disrupt other guests' dining experience.
- Our restaurant is pet-friendly. We welcome every pet, properly identified service pets and emotional support pets, but we ask owners to keep them off the furniture and keep them away from the walking paths to avoid accidents that could put them or other people at risk. We reserve the right to ask a pet owner to leave the premises if a pet is being too loud or aggressive to the staff or other customers.
- While we consider special requests, modifications are not always possible as they can impact the focus of the kitchen and the integrity of many dishes.
- Please notify us of any allergies. We will do our best to accommodate but notice that due to the nature of our kitchen and its size, we can't avoid certain levels of cross-contamination.
